A **School Health Advisory Council (SHAC)** is a group appointed by the school district to serve at the district level. Members of the SHAC come from different areas of the community and from within the school district. The majority of members must be parents who are not employed by the district. Texas law ([Texas Education Code, Title 2, Subtitle F, Chapter 28, Subchapter A, §28.004](#)) requires the establishment of a SHAC for every school district. SHACs are required to meet at least four times each year.

WHAT PROGRAM OR ACTIVITY CAN WE WORK AS A COMMITTEE TO SUPPORT THAT RELATES TO 1 OR MORE OF THESE MODELS WITHIN THE SCHOOL AND COMMUNITY THIS 2018-2019 SCHOOL YEAR?

Gusher Run/Walk event planned in April with GYM 101 to benefit the boys and girls club...plan is to find ways to support this event on each campus and get student involvement as well as community involvement within the school district.
