Gladewater, TX 75647

Dear Mr. McKain:

Etex Telephone Cooperative, Inc. is pleased to inform you that it will award scholarships to eligible students again this year. The Board of Directors of Etex Telephone Cooperative, Inc. has made \$4,000.00, a prorated portion of total allocated funds, available for scholarships at your institution. We would like to award four \$1,000 scholarships.

The one requirement that must be met by the recipients of these dollars is that their residence must receive some type of service that Etex offers. This includes landline, video, and/or internet services. In order to verify that the applicant does have one or more of these services, you may want to request the applicant to submit a copy of their most recent Etex bill with the scholarship application. If the applicant chooses not to submit this type of verification, then you may contact me and I can verify if the applicant is an Etex customer.

Etex requests that each scholarship recipient be made aware that the school is responsible for distributing the funds. The school must determine when the funds will be given to the student (ie: Spring, Summer or Fall semester).

We at Etex are excited about being able to continue to serve our communities in such an important way, and look forward to working with you to further the educational opportunities of our young people. Please contact me if you need any further information.

Sincerely,

ETEX TELEPHONE COOPERATIVE, INC.
