## Gladewater Primary Family Engagement Plan

Gladewater ISD provides a high-quality prekindergarten program to its youngest learners. Our goal is to foster the partnership between families, schools, and the community for the success of our students. In accordance with Texas Education Code §29.168, created by House Bill 4, 84th Texas Legislature, 2015, GISD created a specific family engagement plan for the prekindergarten program.

### **Definitions**

**Family Engagement-** The mutual responsibility of families, schools and communities to build relationships to support student learning and achievement, family well-being and the continuous learning and development of children, families and educators. Family engagement is fully integrated in the child's education experience, supports the whole child and is both culturally-responsive and linguistically-appropriate.

**Family-** Adults responsible for the child's care and children in the child's life who support the early learning and development of the child.
