Final Step: Linking Students

After you link all your students you will have 24/7 access to your students grades, attendance, and behavior. You can link new students at any time after enrollment into GISD.

To add students to your Parent Portal you must click the 'Link an Enrolled Student'.

You will enter the Portal ID exactly as given in the letter you received from your students campus. You may link all your students to ONE Parent Portal. **REMEMBER to inform your student's campus of what email address you used to set up your Parent Portal.**

Gladewater ISD uses Ascender Parent Portal. Ascender Parent Portal is a tool for parents to monitor their students' success throughout the school year. Parents will also use the Parent Portal to register students for school years following first year enrollment at GISD.

- First, follow attached instructions to create your Parent Portal.
- Next, ask your campus for your students Portal ID, so you may Link your student(s) to your Parent Portal.
- You must inform your campus of what email address you use to set up your Parent Portal.

Call 903-845-6991 with any questions.

Thank you for setting up your Parent Portal and staying connected!
