## **Employee & Student: COVID Health Protocol**

(2023-2024)

**In order to return to school or work, students and employees who have COVID-19 must be fever free for 24 hours without the use of fever suppressing medications. Fever is a temperature of 100 degree Fahrenheit (37.8 Celsius) or higher. Students and employees may not return to their campus nor employees to work until the conditions of re-entry previously mentioned are met. Contact the principal of your child's campus or your immediate supervisor if you have any questions or concerns.**
