WELCOME TO GLADEWATER HIGH SCHOOL

The high school experience is an exciting step as you begin to explore the pathways that will take you on your life's journey after graduation. The Career & Technical Education (CTE) Programs of Study guidebook will help you make wise and thoughtful decisions that will put you in the best position for success in the world after high school.

Parents and students are urged to carefully review the information contained in this guide and to work closely with school counselors to develop a quality personal graduation plan. The guidebook showcases the endorsements available and highlights the Career & Technical Education (CTE) programs of study.

High school is about preparing for life after graduation. The experiences you gain through CTE courses will provide opportunities to obtain valuable knowledge about specific programs of study that interest you. Gladewater

ISD offers a wide variety of CTE courses that will help you explore various career opportunities and certification programs designed to prepare you for life after high school.

It is important to know that in our global society, and with your qualifications and experiences, you will no longer just be competing with your friends and neighbors here in Gladewater or Gregg County. You need to be prepared to be compared and measured against competitors for jobs locally, across our nation, and from around the world. Our goal is to provide you with a world-class education that positions you for success beyond your senior year.

Explore the guidebook and ask questions of your parents, teachers, and counselors so that you can find the program that will best fit your needs and help you meet your educational goals. Now is the time to dream and explore the possibilities that life holds. We wish you all the best of luck on this exciting time in your life.

PLANNING YOUR HIGH SCHOOL PROGRAM

Gladewater Independent School District's Programs of Study Guide is designed to assist students, parents, teachers, and school personnel in making informed decisions while planning individual student's educational goals.

The intention of a program of study is to provide a sequence of courses that prepare students for success in high demand, high wage, high skill careers in Texas. Students gain focused knowledge and skills aligned to career and industry standards through multiple years of scaffolded educational experiences.

**"The best way to
predict your future
is to create it." -
Abraham Lincoln**

Planning a four-year high school program is a serious undertaking. The selection of your graduation plan is dependent on your interests and plans for future careers. Some questions to consider when making your plans are the following:

- Will you continue your education at a university, college, or in a trade or technical school?
- Do you want to learn academic or career skills in order to enter the full-time work force immediately after high school?
- Are you interested in mathematics, science, technology, engineering, or any other specialized field of study?
- Are you thinking of entering a profession that requires specialized education, such as teaching, medicine, or law?

Answering these questions is extremely important when making decisions about your course selections for all four years in high school. Take some time to answer the questions before you begin. Your interests and desire to work hard should also guide your answers. It is common for young people to change their minds about what their course of study or career choice will be; others are still considering their options. As you consider your options, immediate decisions regarding your graduation plans may affect your future career choices. For that reason, we recommend that you plan a diverse and challenging academic program. By taking the most diverse and challenging academic program available to you, your options will remain open in the event your career plans should change.

By making sure you have options, Gladewater ISD offers many ways to prepare for your future. A wide range of programs prepare students for post-high school experiences, college, business school, technical school, military service, fine arts participation, and full-time employment. Additional opportunities are made available through the high school experience.

The programs offered allow a student to choose the high school program best for him/her. Outlined on the following pages are the graduation requirements for each of the state's graduation programs. Counselors and teachers will be helpful in advising you more specifically about programs offered through Gladewater ISD.

HIGH SCHOOL GRADUATION REQUIREMENTS

Students Entering High School at Gladewater ISD

During each year in high school at GISD, it is the expectation that all students enroll and complete courses in the four core subject areas. This excludes courses taken for high school credit in middle school. Parents and students are encouraged to carefully consider college entrance requirements and career readiness standards set by institutions of higher education. In addition to completing the required coursework, the state of Texas also requires each graduate to complete the Free Application for Federal Student Aid (FAFSA) or a signed opt-out form to be filed in the counselor's office prior to graduation.

Foundation (basic course credits) + Endorsement (additional credits required to pursue college and career)

Foundation High School Program	Foundation High School Program with Endorsements	Foundation High School Program with Endorsements Distinguished Level of Achievement
22 Credits	27 Credits	27 Credits
4 Credits English - ELA I, II, III, one credit in any advanced English course	4 Credits English - ELA I, II, III, one credit in any advanced English course	4 Credits English - ELA I, II, III, one credit in any advanced English course
3 Credits Mathematics - Algebra I, Geometry, and one credit in any advanced math course	4 Credits Mathematics - Algebra I, Geometry, and two credits in any two advanced math courses	4 Credits Mathematics - Algebra I, Geometry, Algebra II, and one credit in any advanced math course

ACADEMIC RECOGNITIONS

STUDENTS HAVE THE OPPORTUNITY TO EARN ADDITIONAL RECOGNITIONS IN THE FOLLOWING AREAS:

Distinguished Level of Achievement

The Distinguished Level of Achievement opens a world of educational and employment opportunities for you beyond high school. Earning the Distinguished Level of Achievement requires more math and more science than the Foundation High School Program.

The Distinguished Level of Achievement (DLA) will:

- Allow a student to compete for Top 10% automatic admissions eligibility at any Texas public university, except University of Texas which has more stringent admission requirements;
- Ensure the student is a more competitive applicant at the most selective colleges and universities

The Distinguished Level of Achievement Requires:

- A total of 26 graduation credits
- Algebra II
- Successful completion of at least one endorsement

Performance Acknowledgements

There are four ways a student may earn the acknowledgement for outstanding performance by successfully completing the following:

1

Dual Credit

2

Bilingualism & Biliteracy

3

Outstanding Performance on College Entrance Exams

4

Professional License or Certifications

Learn More

1 Dual Credit

A student may earn a performance acknowledgement on the student's diploma and transcript for outstanding performance in a dual credit course by successfully completing:

- 12 hours of college academic courses, including those taken for dual credit as part of the Texas core curriculum, and advanced technical credit courses, including locally articulated courses, with a grade of the equivalent of 3.0 or higher on a scale of 4.0 or...
- An associate degree while in high school.

2 Bilingualism & Biliteracy

A student may earn a performance acknowledgement on the student's transcript for outstanding performance in Bilingualism and Biliteracy as follows:

- A student may earn a performance acknowledgement by demonstrating proficiency in accordance with local school district grading policy in two or more languages by:
 - Completing all English language arts requirements and maintaining a minimum grade point average (GPA) of the equivalent of 80 on a scale of 100; and
- Satisfying one of the following:
 - Completion of a minimum of three credits in the same language in a language other than English with a minimum GPA equivalent to 80 on a scale of 100; or
 - Demonstrated proficiency in the Texas Essential Knowledge and Skills for Level IV or higher in a language other than English with a minimum GPA equivalent to 80 on a scale of 100; or
 - Completion of at least three credits in foundation subject area courses in a language other than English with a minimum GPA of 80 on a scale of 100; or
 - Demonstrated proficiency in one or more languages other than English through one of the following methods:
 - A score of 3 or higher on a College Board Advanced Placement examination for a language other than English; or
 - A score of 4 or higher on an International Baccalaureate examination for higher-level languages other than English course; or
 - Performance on a national assessment of language proficiency in a language other than English of at least intermediate high or its equivalent.
- In addition to meeting the requirements of paragraph (1) of this subsection, to earn a performance acknowledgement in Bilingualism and Biliteracy, an English language Learner must also have:
 - Participated in and met the exit criteria for a bilingual or English as a second language (ESL) program; and...
 - Scored at the Advanced High level on the Texas English Language Proficiency Assessment System (TELPAS).

3 Outstanding Performance on College Entrance Exams

A student may earn a performance acknowledgement on the student's diploma and transcript for outstanding performance on the PSAT, the ACT-Aspire, the SAT, or the ACT, by:

- Earning a score on the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) that qualifies the student for recognition as a commended scholar or higher by the National Merit Scholarship Corporation or as an awardee of the National Recognition Programs of the College Board;
- Earning a composite score of 442 on the ACT Aspire™ examination;
- Earning a composite score of 29 on the ACT PreACT® examination;
- Earning a composite score of at least 1350 on the SAT®; or
- Earning a composite score on the ACT® examination of 29 (excluding the writing subscore).

4 Professional License or Certifications

A student may earn a performance acknowledgement on the student's diploma and transcript for earning a nationally or internationally recognized business or industry certification or license with:

- Performance on an examination or series of examinations sufficient to obtain a nationally or internationally recognized business or industry certification or
- Performance on an examination or series of examinations sufficient to obtain a government-required credential to practice a profession

Nationally or internationally recognized business or industry certification shall be defined as an industry validated credential that complies with knowledge and skills standards promulgated by a nationally or internationally recognized business, industry, professional, or government entity representing a particular professional or occupation that is issued by or endorsed by:

- A national or international business, industry, or professional organization
- A state agency or other government entity or
- A state-based industry association

Certifications or licensures for performance acknowledgements shall:

- Be age appropriate for high school students
- Represent a student's substantial course of study and/or end-of-program knowledge and skills
- Include an industry recognized examination or series of examinations, an industry validated skill test, or demonstrated proficiency through documented, supervised field experience and...
- Represent substantial knowledge and multiple skills needed for successful entry into a high-skill occupation.

ADDITIONAL GRADUATION INFORMATION

01 IMPORTANT ENDORSEMENT INFORMATION

Students will be able to earn one or more endorsements as part of their graduation requirements. Endorsements consist of a related series of courses that are grouped together by interest or skill set. They provide students with in-depth knowledge of a subject area. Students must select an endorsement in the ninth grade. Districts and charters are not required to offer all endorsements. If only one endorsement is offered, it must be multi-disciplinary studies.

- All endorsements require the completion of four (4) math and four (4) science credits.
- Endorsements are originally decided in 8th grade and must be declared in writing.
- Students have until their sophomore year to change endorsements.

02 PERSONAL GRADUATION PLAN

- Each student will have a 4-year Personal Graduation Plan created during the spring of 8th grade with the help of a guidance counselor.
- Parent participation is VITAL! Parents should meet with their child's counselor to discuss the plan and are required to approve the plan in writing before students register for their high school courses.
- Each year after, the PGP will be revised with the student, parent, and counselor, according to the student's interests and needs.

03 EXIT LEVEL TEST REQUIREMENTS

Students who entered 9th grade in 2011-2012 and thereafter will take the State of Texas Assessments of Academic Readiness (STAAR). This assessment will replace the Texas Assessment of Knowledge and Skills (TAKS). Students take the assessments when they complete the course.

For additional information on requirements for STAAR and End of Course, please visit www.tea.state.tx.us/studentassessment/staar.

CAREER & TECHNICAL EDUCATION (CTE)

EXPLORING YOUR CAREER OPTIONS:

If you are considering going straight into the workforce or into a technical training program following graduation, you still need to complete your high school education and earn a high school diploma. Participation in CTE programs increase wages, probability, and consistency of employment, and leads to higher quality jobs. CTE WORKS!

While
in high
school,
you will
want to:

- **LOOK** at the endorsements offered under the Foundation High School Program
- **DETERMINE** your area of interest
- **COMPLETE** your selected endorsement along with the required foundation program to earn your high school diploma
- **LEARN** about available jobs and any required post-high school or technical training
- **EXPLORE** new career opportunities
- **RESEARCH** wage and occupation information, required levels of education, and training requirements
- **DISCOVER** your interests and abilities and use labor market resources at www.texasrealitycheck.com

ENDORSEMENT CHOICES

Career and technical education programs offer a sequence of courses that provide students with coherent and rigorous content. CTE content is aligned with challenging academic standards and relevant technical knowledge and skills needed to prepare for further education and careers in current or emerging professions.

BUSINESS & INDUSTRY

Includes highly varied occupations in both service and manufacturing industries. These endorsements range from industrial and technical trades, business, marketing & finance, graphic design occupations, to information technology.

Programs of Study Include:

- Agricultural Technology & Mechanical Systems
- Animal Science
- Graphic Design & Interactive Media

PUBLIC SERVICES

Includes service-oriented occupations for both private and public sector industries, including human service and healthcare fields.

Programs of Study Include:

- Diagnostic & Therapeutic Services
- Fire Science
- Teaching & Training

CAREER CLUSTER INTEREST INVENTORY

Consider how you like to spend your time and what you think is interesting. Rate each activity according to your interest level with a 0, 1 or 2. Add the numbers in each box. The highest totals reveal the career fields in which you are most interested. Circle 3 boxes with the highest totals to research for specific jobs.

- ☐ Provide medical care for sick or injured people
- ☐ Learn/read about healthcare topics
- ☐ Deal with bodily fluids
- ☐ Work in a hospital, ER or clinical environment
- ☐ Assist with medical procedures/operations
- ☐ Perform first aid in an emergency situation

☐ **TOTAL FOR HEALTH SCIENCE CAREERS**

- ☐ Farming with vegetables, fruits or plants
- ☐ Spend time at state parks
- ☐ Spend time caring for the environment
- ☐ Ranching/raising animals
- ☐ Provide daily care for animals
- ☐ Provide medical care for animals

☐ **TOTAL FOR AGRICULTURAL CAREERS**

- ☐ Work in a creative/competitive environment
- ☐ Budget, track, oversee funds & expenditures
- ☐ Use information technology programs
- ☐ In charge of committees & people
- ☐ Develop and present information & campaigns
- ☐ Provide customer service

☐ **TOTAL FOR BUSINESS/FINANCE MARKETING CAREERS**

- ☐ Tutor, instruct and help others learn
- ☐ Assist others with technology, academics & skills
- ☐ Present information to a group
- ☐ Manage a classroom or group
- ☐ Work in a group or classroom setting
- ☐ Plan curriculum & materials for a group

☐ **TOTAL FOR EDUCATION AND TRAINING CAREERS**

- ☐ Enjoys food prep, cooking, baking, serving, tourism or hospitality activities
- ☐ Oversee recreation or manage a hotel/restaurant
- ☐ Cosmetology, barbering or spa services
- ☐ Work with public and support their needs
- ☐ Plan educational or rec activities, trips or services
- ☐ Provide guided tours or lessons, instruction or service

☐ **TOTAL FOR HOSPITALITY, TOURISM AN RECREATIONAL CAREERS**

- ☐ Learn about scientific events and topics
- ☐ Visit museums, planetariums or tech forums
- ☐ Study elements of numbers or computers
- ☐ Perform experiments, projects or figure equations
- ☐ Study space, motion, chemicals, elements, numbers or coding
- ☐ Excel in comparison to peers in science, technology, engineering and math (STEM) areas

☐ **TOTAL FOR SCIENCE, ENGINEERING AND MATH CAREERS**

- ☐ Coordinate services or assistance for others
- ☐ Provide counseling or guidance
- ☐ Listen and care about others' difficulties
- ☐ Provide solutions to others' difficulties
- ☐ Learn about human behavior and life stages
- ☐ Work with families and/or children

☐ **TOTAL FOR HUMAN SERVICES CAREERS**

- ☐ Write/read virtual information, articles or reviews
- ☐ Utilize talents to communicate info to others
- ☐ Attend public events or perform in them
- ☐ Create media projects, campaigns or productions
- ☐ Dancing, acting, singing, painting, sculpting or creating
- ☐ Gaining inspiration from graphics, art or other media elements

☐ **TOTAL FOR ARTS AND COMMUNICATION CAREERS**

- ___ Repair computers or devices
- ___ Develop or install computer programming
- ___ Design apps or webpages
- ___ Learn about cybersecurity or computer systems
- ___ Utilize computer animation and graphics
- ___ Design graphic layouts with computer programs

___ TOTAL FOR INFORMATION TECHNOLOGY CAREERS

- ___ Safely operate equipment and industrial tools
- ___ Weld or build items/projects to standard code
- ___ Remodel or build according to blueprints
- ___ Use computer software to create designs
- ___ Able to perform construction math
- ___ Oversee purchase/use of project materials

___ TOTAL FOR ARCHITECTURE AND CONSTRUCTION CAREERS

- ___ Awareness of effects and causes of the energy industry market's status
- ___ Use physical labor to work on natural energy sites
- ___ Learn about the equipment/process related to energy
- ___ Comply with inspection requirements at sites
- ___ Run or be a part of a crew related to an energy site

___ TOTAL FOR ENERGY AND NATURAL RESOURCES CAREERS

- ___ Set up or repair electrical controls/wiring
- ___ Fix appliances, electrical monitors or electronics
- ___ Build robots/electronic devices
- ___ Make or use blueprints/instructions
- ___ Operate machinery
- ___ Work with hands-on tools and items

___ TOTAL FOR MANUFACTURING CAREERS

- ___ Learn about city, state or federal laws/policies
- ___ Enforce or perform methods that serve the public
- ___ Protect and/or serve the public over yourself
- ___ Write reports that document public services given
- ___ Learn about historical court cases
- ___ Use technology equipment related to public service

___ TOTAL FOR LAW ENFORCEMENT AND PUBLIC SERVICE CAREERS

- ___ Work on vehicles, boats, planes or equipment
- ___ Arrange transportation of products or people
- ___ Drive vehicles, boats, planes or equipment
- ___ Learn about computers used to repair vehicles
- ___ Personally deliver products or items
- ___ Drive heavy equipment or lifts

___ TOTAL FOR SCIENCE, ENGINEERING AND MATH CAREERS

REFLECTION QUESTIONS

List your three highest-ranking career fields below.

1. _____
2. _____
3. _____

Within those career fields, what specific jobs are you interested in?

NEW STUDENT ADMISSIONS CHECKLIST

Follow these simple steps to start your future at Kilgore College.

STEP 1 – APPLY FOR ADMISSION

- _____ Apply for admission online at applytexas.org. It is required before you apply for financial aid, orientation, and housing. Application priority dates are: July 1 for fall semester and dual credit, November 1 for spring semester and April 1 for summer terms.
- _____ Request that your high school and/or previous college(s) send official transcripts to KC.
- _____ Send official ACT/SAT scores (if taken).
- _____ Provide your bacterial meningitis vaccination record.

STEP 2 – APPLY FOR FINANCIAL AID

- _____ Apply for financial aid. Complete the Free Application for Federal Student Aid (FAFSA) at studentaid.gov. The Financial Aid priority date is July 1.

STEP 3 – MEET PLACEMENT REQUIREMENT

- _____ Meet the placement requirement by taking the TSI (Texas Success Initiative) Assessment as necessary unless otherwise exempt from developmental requirements.
- _____ Prior to taking the TSI Assessment, students must complete the KC TSI pre-assessment activity. Documentation of the pre-assessment activity is required before taking the TSI Assessment.

STEP 4 – COMPLETE ORIENTATION

- _____ Complete New Student Orientation online and register for classes. Orientation is mandatory for all first-time college students and recommended for anyone new to Kilgore College.

STEP 5 – APPLY FOR HOUSING (IF NEEDED)

- _____ Apply for on-campus housing (optional). Submit \$150 refundable deposit. Proof of your bacterial meningitis vaccination must be on file 10 days prior to move-in.

NOTES

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

GLADEWATER INDEPENDENT SCHOOL DISTRICT

CTE Non-Discrimination Statement

Gladewater ISD offers career and technical education programs of study. Admission to these programs is based on admission standards.

It is the policy of Gladewater ISD not to discriminate on the basis of race, color, national origin, sex or handicap in its vocational programs, services or activities and provides equal access to the Boy Scouts and other designated youth groups as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

It is the policy of Gladewater ISD not to discriminate on the basis of race, color, national origin, sex, handicap, or age in its employment practices as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended.

Gladewater ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For information about your rights or grievance procedures, contact the Title IX / 504 Coordinator, Kim Dolese, at 903-845-6991 or dolessek@gladewaterisd.com

Notificación Publica De No Discriminación En Programas De Educación Técnica Y Vocacional

Gladewater ISD ofrece programas de estudio de educación profesional y técnica. La admisión a estos programas se basa en los estándares de admisión.

La poliza de Gladewater ISD es no discriminar por motivos de raza, color, origen nacional, sexo o discapacidad en sus programas, servicios o actividades vocacionales y brinda igualdad de acceso a los Boy Scouts y otros grupos juveniles designados según lo exige el Título VI. de la Ley de Derechos Civiles de 1964, según enmendada; Título IX de las Enmiendas Educativas de 1972; y la Sección 504 de la Ley de Rehabilitación de 1973, según enmendada.

La poliza de Gladewater ISD no discriminar por motivos de raza, color, origen nacional, sexo, discapacidad o edad en sus prácticas de empleo según lo exige el Título VI de la Ley de Derechos Civiles de 1964, enmendada; Título IX de las Enmiendas Educativas de 1972; la Ley de Discriminación por Edad de 1975, enmendada; y la Sección 504 de la Ley de Rehabilitación de 1973, según enmendada.

Gladewater ISD tomará medidas para garantizar que la falta de conocimientos del idioma inglés no sea una barrera para la admisión y participación en todos los programas educativos y vocacionales.

Para obtener información sobre sus derechos o procedimientos de queja, comuníquese con el Coordinador del Título IX / 504, Kim Dolese, al 903-845-6991 o dolessek@gladewaterisd.com
