Dear Parent or Guardian:

We are pleased to inform you that *Gladewater ISD* will be implementing the Community Eligibility Provision (CEP) under the National School Lunch and School Breakfast Programs for School Year *2023-2024*. Because all GISD-CEP students qualify for free breakfast and lunch, parents will not need to complete and return a free and reduced-price meal application. However, GISD is still required to collect and report the socioeconomic status of each student via a socioeconomic information form that is then sent to the Texas Education Agency. This ensures campuses receive funding from TEA.

Schools that participate in CEP provide healthy breakfasts and lunches each day at no charge for ALL students enrolled in that CEP school during the *2023-2024* School Year.

If you need more information, please contact us at

Sincerely,
