

**THURSDAY NOVEMBER 2nd, 2023 – 5:30PM CALL TIME AT GHS HS FOOTBALL STADIUM
PARKING LOT**

GMS Band Performance at the 8th Grade Football Game

- 5:30pm: Call time. Meet at the black band trailer in the parking lot of the GHS Jack V. Murphy Football Stadium.
- 6:00pm: Seated in the stands with instruments and music ready to play.
- 6:30pm: 8th Grade football game starts (This is a rough estimate as it will not begin until the 7th grade game preceding it is over).
- 7th grade football players will return with the coaches back to GMS to change. Coaches will bus them back to the field, they will get their horns off the trailer, and join us in the stands.
- Halftime: We will perform for the Majorettes and Flags during halftime.
- Once halftime is over, you are dismissed. Instruments will go on the trailer.
- You may either stay and finish the game as a spectator or be picked up by a parent at this time. **I have no idea what time the band will be done with this event.**
- Dress: Blue Jeans and Band Shirt. It might be smart to bring a light jacket as well.

There is a chance for rain that day. If it's raining, please make sure that you're watching the band Remind. You can also check the GMS Band Page for cancellations. Lastly, you can always check the Gladewater Band Booster Facebook Page. I will give all updates including possible cancellation through those three platforms.

This is a mandatory performance and is a major test grade.
