

Gladewater ISD 2020 Parent Portal Instructions

In order to begin the process you must have received a letter from your child's campus with their unique "Student Portal ID" that is required in order to create an account. Once you have this information, please go to the Gladewater ISD website (gladewaterisd.com) and click the "Parent Portal Link" in the Parent Resources tab. Once you click on the link, the following page will appear.

The screenshot shows a web browser window with the URL txeis07.txeis.net/ParentPortal/login?distid=092901. The page header features the "ASCENDER PARENTPORTAL" logo on the left and "English" on the right. The main content area is divided into two sections. On the left, a dark brown rounded rectangle titled "Login" contains two input fields: "User Name" and "Password", each with a small icon to its left. Below these fields is an orange "Login" button. Underneath the login section are two links: "Don't have an account yet?" followed by an orange "Create Account" button, and "Forgot your password?" followed by an orange "Reset Password" button. On the right, the text "Gladewater ISD" is positioned above a large orange and black logo of a bear's head inside a stylized letter 'G'.

Next, you will need to create a new account. In the picture above, you will see the section titled 'Don't have an account yet?' followed by a 'Create Account' button. Click the 'Create Account' button and the following page will open.
