RE: Scholarship Application

Dear Counselors:

The East Texas Antique Tractor & Engine Club is a sponsor of many events and activities in East Texas. We realize the youth of today will be our leaders of tomorrow, and that additional training beyond high school is very important. Our tractor club strives to help our youth by making available four (4) scholarships of five hundred dollars (\$500) each.

Attached is a copy of our Scholarship Application. Applications must postmarked no later than March 20, 2021.

The East Texas Antique Tractor & Engine Club was established in February 1995. Nine men gathered at the home of the late Alton Jones to discuss the formation of a tractor and engine club. At that time, there were about ten antique tractors among the group. Today's membership consists of over 100 families. Many members participate each year in parades, tractor and engine shows, tractor pulls and tractor rides.

If you have not been contacted by our club by April 10th your senior applicant has not been chosen.

For additional information please contact Martha Bailey at (903)736-1984.
