Each year the East Texas Gusher Days Committee awards several \$500.00 scholarships to seniors from Gladewater High School and/or Union Grove High School. Students must be planning to attend a 2-year, 4-year, or trade school for the upcoming school year. This year students will need to submit a 3-4 minute video using the theme **“Growing Up in an Oil Field Camp”**. There were several of these camps located within a five-mile radius of Gladewater. You will need to submit your video on a flash drive along with the attached application form.

Just like a scholarship essay, a video scholarship will require you to take your time while researching, writing your script, and then actually filming. Interview older family members, church friends and older community members for a first-hand account. These people will probably be 65-80 years old. Make sure you provide their name and the camp name where they grew up. A photo will be appreciated by the panel of judges. Be creative with the filming location, your clothing, etc.

We are excited to offer this opportunity to seniors since technology is so important in our lives. **The deadline is TUESDAY, MAY 11, 2021.** Please turn into your school counselor by noon that day so a Gusher Day committee member can collect all entries at one time.

The East Texas Gusher Days Committee wishes you continued success as you begin the next chapter of your life.
