  - 12:15pm – Rehearsals resume
  - 4:30pm – Coke Floats in the Cafeteria/Quad
  - 5:00pm – Change into dress clothes for the concert
  - 5:30pm – Concert begins (Free)
- 
- **Dress:** School dress code casual during the day. You will need to bring a change of clothes for the concert. For the concert you will need to wear nice clothes. Please do not wear blue jeans if at all possible.
  - **Cost:** The concert is totally free for parents and family. You will need a little bit of spending money for concession stands. Lunch will be provided by the region at no cost.
  - **Vendors:** There will be vendors in the lobby of the auditorium before and after the concert. These vendors will be selling All-Region Band shirts with your name on them. They will also have plaques with your name on them. I'm not sure on the prices for these items however they will be available for purchase. The lines usually get very long for these items so getting there early is usually a good idea if possible.

When the first bell rings come to the band hall. We will load up and leave quickly after. Dress casually but within school dress code for the day. Make sure that you have brought your change of clothes for the concert. At the end of the concert, you will be given an All-Region Band patch as you are leaving the stage. Please make sure that you don't leave the stage before getting that patch!

Feel free to email or call me if you have any questions.

**CONGRATULATIONS ON MAKING THE ALL-REGION BAND!**  
**WE ARE SO PROUD OF YOU!!!!!!!!!!**
